

FORD

Kauai's Universal Car

ROADSTER

TOURING CAR

The Ford's superiority as the highest quality, low priced car on the market is recognized on Kauai and the hundreds of these cars on the roads of the Garden Island speak for the extreme low operating costs of the Ford to say nothing of its value retained after years of service, making the Ford the highest priced used car on the market.

COUPE

Steamer
Lurline

The Universal use of the Ford---its use by the business man, the salesman who must hurry over his territory; the rent driver, the housewife and the plantation luna who must negotiate the hardest kinds of roads---tells in a few words the story of Ford stamina---ability to withstand the fiercest kind of service. If you are a discriminating buyer join the rank of Ford owners.
